

9 Persons Hurt In Traffic Mishaps

Freack Crash In Madison Injures 2; 6 Hurt In 2 Accidents On Bridge

Injuries were suffered by nine persons in four of nine traffic mishaps this week in and near the Quad-Cities.

Two persons in an auto were hurt on McCombridge avenue in an accident involving a huge truck that overturned; six were injured in two mishaps on McKinley Bridge, and the other injury resulted from a two-car accident on Pontoon road.

A spectacular crash at 5:40 a.m. Monday injured two persons, damaged four vehicles and resulted in McCombridge avenue being blocked on Third street by an overturned truck.

Those injured were Mrs. Marjorie Lomax, 59, of 1510 Fourth street, teacher of the third grade at Harris grade school, Madison, and her husband, Casey Lomax, 68, of 1520 Fourth. Taken by ambulance to St. Elizabeth Hospital, both were released after treatment. Mrs. Lomax received x-rays of the spine and ribs, and Lomax was x-rayed about the spine and skull.

Mrs. Lomax was driving north on McCombridge, as was the truck driver, Jerald W. Jackson, 23, of 2111 Delmar avenue, who was charged with reckless driving on Third street, and Jackson said he lost control of his vehicle while attempting to turn left and pass the car on the right.

The Lomax auto was struck in the rear and also suffered front end damage. It was being knocked against the left side of the auto of Leo Brockmeier, 40, of 1510 Fourth, who was also damaged was the front of the car of Neal A. Jackson, 28, Bend road.

The Ross Truck Lines of Mitchell vehicle was extensively damaged in upsetting during crossing on McCombridge, which carries Route 67a. Two tow trucks were required to remove the vehicle. Lomax car, regarded as a total loss, also was towed from the scene.

A Hurt On Bridge

A Madison man, 34-year-old David Holder of 925 Grand avenue, and three St. Louisans were injured when the car in which they were riding struck a traffic lane divider on McKinley Bridge at 4:40 a.m. today.

The car, driven by Holder, was heading west.

The passengers were Dorothy Meunier, 34; Clyde Raymond, 30, and Arthur Agors, 40. All were taken by ambulance to St. Elizabeth Hospital. Holder's car was badly damaged, Venice police said.

Holder had x-rays of the skull, chest, ribs and knees; Raymond underwent x-rays.

City Paid \$43,337 Engineering Fees In Past 9 Months

ALL LANES WERE BLOCKED ON McCombridge avenue at Third street Monday evening when this large truck turned onto its side during a four-vehicle crash. A Madison police officer is shown questioning witnesses. The truck driver was unhurt but two occupants of an auto were injured.

Engineering services, which this fiscal year have already cost the city \$43,337, are expected to be the major topic of next Monday night's Granite City council session.

The motor fuel tax project contract with David J. Johnston, placed on first reading at the Feb. 5 council session, when two alternates walked out on the vote, is scheduled to be submitted for advancement to second reading or passage.

The renewal contract lists engineering fees 1 to 3 1/2 percent higher than those paid to a local engineer firm by the city of Madison and Venice for MPF street projects.

Full-Time Engineer Proposed

Strong objections were raised at the Feb. 5 session to placing Johnston's contract renewal for one year on first reading, since the council had adopted an ordinance last summer for hiring a full-time city engineer, among whose duties would be preparation of motor fuel tax project plans.

It was brought out then, the city's engineering costs could be cut in half, at least, and the city could have an engineer on duty at all times for inspections not only at city projects, but also for improvements, such as streets, sidewalks and sewer lines in new subdivisions.

Mayor Davis led last summer's move for a full-time city engineer. But, he told the Press-Record yesterday he had dropped the idea, as recommended by the Southern Illinois University government study team, since council committees were unable to agree, after interviews, on which engineer to hire.

The mayor added that Johnston's contract, which was recommended by the Southern Illinois University government study team, since council committees were unable to agree, after interviews, on which engineer to hire.

Scholarship Group To Honor Miss Nina Rushfeldt Feb. 26

An appreciation dinner honoring Miss Nina Rushfeldt, retired Granite City high school teacher who has been named to the Granite City Scholarship Foundation, will be given Monday, Feb. 26, at the high school cafeteria, it was announced yesterday by R. L. Toburen, foundation president.

"Tickets for the 6 p.m. smorgasbord now are on sale, and prospective donors are invited to make donations for the banquet," Toburen said.

The former teacher, who now resides in California, taught home economics for 21 years at the rudiments of English, literature and journalism. She has been the recipient of a local "Woman of the Year" award she retired in 1959.

The special recognition program will be Mayor Davis, School Superintendent Harold M. Kaiser, School Board President Robert Spengler and Scholarship Foundation Board Members Ernest A. Kandruff and Toburen.

Tickets are available at Graham's Book Store, Frank's Card Shop and Bellemore Toy & Sporting Goods store.

Surveys in connection with the banquet were made during a meeting of the board at the high school Monday evening with 21 officers and members present, representing all 12 sponsoring organizations. New members of the board are the Federation Local 743 introduced were Elmer Jackson, Glenn Rice and Mrs. Ruby Foster.

Penalty Order On Pollution Expected Soon

While the state Sanitary Board has not yet indicated when it will hand down an order to Granite City to build a sewage treatment plant or be subject to a daily penalty for polluting the Mississippi River, there is a possibility of such an order being issued this year.

Such an order, if the council delays in proceeding with the program, would force the city to immediate action and the community could be forced to pay a daily penalty for the pollution which the Citizens' Master Sewer & Drainage committee has recommended.

The citizen plan, submitted to the council last Dec. 13, is in the process of being revamped by the subcommittee chairman of the citizens group and a special committee of aldermen. A meeting of the two committees is being planned for this week.

Joint Work Commended

The state Sanitary Water Board has commended the citizen committee and council for its joint effort to solve both pollution and drainage at the same time, but the officials have stressed the need for pollution abatement as quickly as possible.

The state officials point out that Granite City and other municipalities in the area have violated the schedule set forth and agreed upon in July 1959 when a decree Dec. 31, 1961 was established for having treatment plants in operation.

If Granite City would be forced to build a sewage treatment plant to handle the present combined sanitary and storm water sewage, the construction cost has been estimated at \$2,937,000, or \$1,737,000 more than the \$1,200,000 estimated cost of a treatment plant with a separate system.

The cost of interceptor sewer lines to separate storm water and sanitary sewage has been estimated at \$1,400,000, putting the city well on its way to solving the long-existent drainage problem for years to come.

The Sanitary Water Board order is inevitable, city officials realize, unless local action is started. Whether it will be within the next six months or late this year is not known.

Extension Ban

It may be issued on the first anniversary of the Sanitary Water Board order.

47% Of Assessment Increase Is On Lots

Reach \$104 Million; 3-Township Valuation Total Up \$7 Million

A \$3,648,610 boost in assessment of township and city lots accounted for nearly half — 47% — of the \$7,825,445 Quad-City valuation increase announced by the County Board of Review, an analysis of assessment records showed today, which a year ago amounted to \$101,136,935 to \$104,785,545; personal property has been increased by \$2,815,125, from \$93,291,330 to \$96,106,455; lands by \$1,358,890, from \$32,592,640 to \$33,951,530; and locally-assessed railroad property by \$280,500, from \$101,136,935 to \$104,785,545.

The figures do not include state-assessed railroad property, which a year ago amounted to \$13,348,517 in the Quad-Cities, or state-assessed capital stock, which totaled \$880,500.

Two St. Louis men suspected of two armed robberies netting \$2,231,500.

The figures do not include state-assessed railroad property, which a year ago amounted to \$13,348,517 in the Quad-Cities, or state-assessed capital stock, which totaled \$880,500.

State Data Being Added

New state assessment information has been received from the Illinois Department of Revenue, and the task of extending it throughout the Madison county records is still in progress at the county clerk's office.

For the county, the \$775,047,920 (non-state) portion has been boosted to \$882,202,689, with inclusion of \$2,889,900 capital stock and \$34,164,819 personal property, \$188,280,125 lands and \$232,685,870 and the just-completed board figure is \$233,125,000.

The \$233,125,000 local portion for the three townships (1961 assessment year which will affect 1962 tax bills) compares with \$227,269,985 for the 1960 assessment year. Of the difference, \$5,856,285 was proposed by the assessors and the Board of Review added another \$2,139,160.

For 1960, assessors listed \$228,004,160 and the board reduced the total to \$227,269,985. For 1961, assessors showed \$232,685,870 and the just-completed board figure is \$233,125,000.

GC Increases

In Granite City township, Assessor Von Dee Cruse listed \$143,996,735 for 1960 and the board cut this to \$143,543,605. For the new year, Cruse showed \$147,497,450 and the board set the total at \$148,458,030. Only the assessment as adjusted by the review board is used when tax levies are applied to determine new rates. Then, rates are figured against individual assessments to set the amount of the tax bills.

The \$4,914,425 Granite City increase from the final local total of a year ago includes \$3,648,610 assessed by the assessor.

Suspects In 2 Armed Robberies Caught In Venice

Venice police captured two suspects linked to two armed robberies Tuesday and filed charges against two suspected burglars yesterday. Two school burglaries and other thefts also were reported this week.

Edward F. Ruwisch Dies Suddenly Today At 54

Edward F. Ruwisch, 74, of 2402 Nameoki road, was dead on arrival at the Huber Memorial Hospital, Pana, Ill., at 2:40 a.m. today after being suddenly stricken while visiting in the city.

Relatives said Mr. Ruwisch and his wife, Grace, were visiting her brother-in-law, Walter, Mr. and Mrs. Roscoe Law at Pana, and had planned to leave today for a trip to Florida. Mr. Ruwisch was a retired store clerk for American Steel.

Born in Nameoki, he was a lifetime resident of the community, and a member of St. John United Church of Christ. He also belonged to American Legion Post 113.

Survivors in addition to his wife, are a brother, Walter R. Ruwisch, and a sister, Mrs. Charles (Ouida) Thies, both of Granite City.

He is being returned to a Granite City home, where arrangements are pending. An obituary is given elsewhere in this issue.

GC Firemen Answer Eight Alarms Tuesday

Unseasonal weather conditions and high winds kept Granite City firemen busy Tuesday afternoon and evening, answering eight alarms in three hours and five minutes.

"Wind was rough to contend with," Assistant Fire Chief Curtis Donley said. "It creates a condition that makes flames spread quicker. The warm temperature, brought people out cleaning up their yards and the wind even blew the trash out of the building."

The worst blaze occurred at Daniel Cleaners, 1830 S. State street, where children appeared to set fire to weeds at the rear of the building about 3:30 p.m. They were summoned to the scene from the West Granite and Madison fire stations.

Damaged were the rear, south side and roof of the equipment and boiler room at the rear of the building, Chief Donley told the Press-Record. "It's impossible to estimate the loss until the electrical equipment can be examined."

Open For Business

Owner Francis Daniel told the Press-Record yesterday, "Electricians are running telephone lines to the machinery now so that they can be open for business," he added.

The West Granite station arrived at the scene at 3:30 p.m. from the levee fire. Upon arriving at the levee they discovered the fire was on government property, and Granite City Engineer Depot firemen had been dispatched to the scene. Depot Fire Chief Richard Freda reported no answer.

Prior to answering the Daniel Cleaners call, the main station sent a crew to the Park-N-Eat drive-in restaurant, 1525 N. Ringwood avenue at 3:30. A trash fire in an ash pit touched off a storage shed. The loss was set at \$250.

All Stations Empty

While at the Daniel fire, Chief Donley received word that the Madison truck was sent to a weed fire in the 2500 block of Circle drive at 3:30. Realizing that all three Granite City stations were vacant, Donley sent the West Granite crew back to the main station to answer any additional calls.

The Circle drive fire was along railroad tracks. Firemen said that apparently a railroad fire touched off the dry weeds along the tracks. No loss was estimated.

Auto On Fire

Still at the Daniel fire, Chief Donley was notified of an automobile fire at the Ellwood, 1500 S. State street, at 4:15 p.m. (Continued on Page 7, Col. 3)

March Bid Opening For School Additions

Seek Completion Of 4 Coolidge Projects For September Term

A March 27 bid opening was set tentatively Tuesday night by the Granite City school board for construction of four additions to Coolidge junior high school. This would leave five months for completion of the additions, by the start of the fall term.

The board on Tuesday approved preliminary drawings submitted by Architect Henry Gabriel, who said county and state school board drawings will be sought later this month.

Supt. Harold M. Kaiser and Architects Gabriel and Sylvester Duigeroff are to present the construction drawings to the board, which also will select superintendents and state fire marshal.

After the approvals, a formal call for bids is to be issued at the Feb. 27 board meeting or early in March, allowing contractors at least three weeks for preparation of bids.

Plan Boundary Changes

It is hoped to have all portions of the expansion program completed by September, with special emphasis on an L-shaped classroom addition at the northeast corner of the school, enabling junior high school boundary zones to be revamped.

The building, which houses seventh, eighth and ninth grade classes, will have one-story structures added to its four corners. Brick and window styles will match those of the present school. Enrollment gains have prompted the program, which will be completed by the district's building fund.

The 150-foot-long classroom addition will consist of nine rooms, six on front and three behind them. All will be turned side to side rather than end to end for greater economy. The addition partly will cover the former remainder of an extension of Pontoon road.

Cafeteria Expansion

The cafeteria at the northeast will be expanded to a seating capacity of over 500, and present equipment by the school district is expected to provide 50% of the seating.

Kaiser told the board.

On the northwest corner, a multipurpose room for gymnastics, calisthenics and other activities will have a 14-foot ceiling clearance and a skylight, with lockers located around the interior walls.

The fourth addition will be a classroom located around the present home economics section.

Intermates will list possible deduction of any of the three smaller additions and of two of the three classrooms.

Initial consideration of two-story additions to the two-story school was dropped due to higher costs, Gabriel said.

Contract signing for an elderly housing project in Granite City was planned for Wednesday, Feb. 28, during a monthly meeting of the Granite City Housing Authority board Tuesday night at Kirkpatrick Homes, Chairman Walter H. Hines, said.

Representatives of the Practical Construction Co., Detroit, Mich., will arrive here Tuesday to submit a performance bond and to sign copies of the specifications and other contract documents. The project will consist of 100 efficiency and three-room apartments for elderly individuals and couples. The development will be located about one block east of Kirkpatrick Homes.

Undergo Surgery

The following are recovering at St. Elizabeth Hospital from surgery which they underwent last week: Arizona Cox, 2525 East 23rd street; Isa Horning, 2718 Myrtle avenue; Joyce Warnhoff, 2227 Waterman avenue; Julie Jakich, 1406 Washington avenue; Beatrice Gann, 2800 "B" street; Claude Thomas, Brooklyn; Shelia Cosgin, 1616 Sycamore; Clay Warren, 2209 Sycamore; and Mrs. M. J. Kowalski, 2413 Jorden avenue; Lois Calvin, 3048 Thirteenth street; and Mrs. Rhoads, 5208 Lakeview drive.

new contract would run for a year, and by that time perhaps the STU recommendation would be taken up again.

He defended the higher MFT project fees charged by Johnston, stating the contract would be submitted to the state highway department for approval, and similar fees in contracts in the past few years have been approved by the state. "They can't be excessive, if they're paid by other communities and are approved by the state," Davis said.

315 More Feet Of Curb

It was noted the \$1350 more in fees under Johnston's contract for a \$45,000 motor fuel tax project, compared to the engineering fee on a similar-priced project in Madison or Venice would pay for installation of an additional 315 or more feet of concrete curb and gutter in the city.

Johnston's fee of 10% on a \$45,000 project would amount to \$4500; while the MFT contracts in Madison and Venice with the local firm of Sheppard, Morgan & Schwab call for a 7% fee, or \$3150.

In addition to the motor fuel tax engineering fees, Johnston is paid a retainer of approximately \$5000-a-year as the city's consulting engineer, plus fees for special work, city hall records show.

Engineering Cost Breakdown

Of the \$43,337 spent in the current fiscal year to date (May 1 to Jan. 31), \$37,081 went to Johnston, and included in that amount was \$4140 for expenses incurred on the 20th street trunk sewer repair project, \$808 for planning the resurfacing of 19th street, \$936 for the proposed sanitary sewer line on Nevada avenue, \$4166 under the consulting engineer contract with the city and the remainder for MFT projects.

The city also has paid this fiscal year the amount of \$4104 to Sheppard, Morgan & Schwab for engineering services in connection with the Narnack sanitary sewer system storm water infiltration problem and \$2152 to the consulting engineer firm of Sverdrup & Parcel, St. Louis, to determine the cause of numerous breaks in the Terrace lane sanitary sewer line.

Supporters of the program for a full-time city engineer point out most of the engineering work paid for this fiscal year, in which 2 1/2 months remain, could have been carried out at a much lesser cost by a city engineer hired on a full-time basis, with assistants employed as needed for routine field and survey work.

In the 1960-61 fiscal year, the city paid total engineering costs of \$23,853, including \$23,775 to Johnston and \$78 to Sheppard, Morgan & Schwab.

order banning all extensions to the present sewer system, to avoid an increase in the city's pollution of the river. The city received that order last July 31. Next July 31 is less than six months away.

Subdivision construction went into a decline following the issuance of the order, although lesser home building has continued where extensions to the present sewer system are not needed.

The citizens' committee in its Dec. 13 report to the council stressed: "Water pollution abatement is and must be an accepted fact of life. For the city does not abate pollution voluntarily, it will be forced to do so by the regulatory agencies, state and federal."

"The separation of storm and sanitary sewage has become intertwined inseparably with construction of sewage treatment facilities. For instance, if Granite City constructed its own sewage treatment plant to intercept and treat sewage from the combined sewer system instead of separating the sewer system, the city would spend \$1,700,000 extra for a sewage treatment plant which otherwise could be spent for storm water relief."

With the separation of storm and sanitary sewage, the city would need a treatment plant with a capacity of 11 million gallons a day, compared to a 24 mgd plant if combined sewers were retained.

Study Proposed Sewer Lift Station On Nameoki Campus

Construction of a sewage lift station on the Nameoki campus was discussed Tuesday night by the Granite City school board, which scheduled a decision for Feb. 27 on whether it will grant permission.

The project was explained in detail by Engineer Edward J. Jeneau, who said favorable action by the next board meeting would be satisfactory. If there is no action by that date, it probably would halt replacement of the Terrace lane sanitary sewer line, he reported.

Jeneau said he will have stakes placed at the site so that school board members can inspect it. The proposed lift station location is the most logical, in his opinion and also that of Sverdrup and Parcel, who served as consultants, he related.

Among the questions raised at Tuesday's meeting was whether the school district is to be compensated for expanding present sewer easement rights. The engineer and School Attorney Maurice Daley said they knew of no plans to offer compensation to the district.

Line Will Be Higher

Recalling the Terrace lane sewer failure and the decision to replace it, Jeneau said a lift station is essential because the new sewer is to be installed six feet higher than existing lines. Stressing the urgency of action, he said the Terrace lane problem "is costing the city a lot of money every day in pumping alone. Delay in board approval also might prove costly to the contractor, G. H. Sternberg and Co., or the East Side Levee and Sanitary district, he added.

Easement for a 40-foot-square area is proposed, with a deep well and pump station to be installed underground between 60 and 75 feet from the back door of the Nameoki school gymnasium.

Removal Of Tree

The location is along a vacant strip of Amos avenue, near a clump of trees, one of which would have to be removed. A conning tower extending up one or two feet would be the only projection above the ground, other than a utility pole to bring electric power to the station. The area was described as being within or near the out-field of a ball diamond on the school grounds.

Protection for school children would be provided during construction work, and little or no protection would be necessary afterward, Jeneau noted. "The lift station would be locked at all times, and the manhole frame and cover would weigh more than can be lifted without a crowbar." There would be no fence.

Future Maintenance

The station was described as generally "trouble free," with most maintenance carried out by walking rather than driving a truck onto the campus. Only potential repairs listed were work on the pump, which could be hauled to the surface with a rope, or replacement of the electric motor, for which a small crane would be necessary. A horn and red light would signal a pump failure.

A 15-inch sewer connecting with the station, starting at a junction of 10-inch and 12-inch lines, will run parallel to the existing sewer, about six feet closer to North street and Fair Oaks drive, it was explained. A change in location of the proposed lift station would necessitate an extra lift station or construction of additional sewer main at "very great depth," Jeneau told the board. The site chosen is at the confluence of two east-west sewer feeder lines.

Two New Corporations In GC Approved By State

Secretary of State Charles F. Carpenter has announced the formation of two new profit corporations in Granite City. One is Home Buyers Investment Corp., 1414 Twentieth street, under Samuel M. Rosch, Gabriel E. Rosch and Alice B. Rosch to buy, sell or trade real property, stocks bonds and other property, both real and personal. Also Youngstown Manor of Illinois, Inc., 1830 State street, under Jeanette L. Holder, Josephine E. Calvo and Horace L. Calvo to perform general construction work.

Car Keys Found

Granite City Chief of Detectives James Lowder is seeking to return to owners five car keys found on a 14-year-old Madison boy apprehended in a parked auto recently. Lowder describes the keys as two sets to two Fords and a fifth key has the initial "F" or "T" on it. Anyone missing their auto keys is asked to contact the police.

Faces Two Charges

Kenneth M. Huskey, 17, of 1704 Venice avenue, was arrested yesterday at 1:15 p.m. by Granite City police and charged with speeding and driving with an expired operator's license. He was released to return Saturday before Police Magistrate Andrew Gasparovic Jr.

Trojans Spear Warriors For 20th Straight Win

THE PRESS, Madison style, is tested first hand by Granite City's George Brink (13), who finds control of the basketball on uncertainty during Tuesday's inter-city court battle as pressure is applied by Madison's Terry Andrews (left) and Ken Griggs (right).

Second, Fourth-Quarter Spurts Are Decisive In 80-51 Madison Victory

Granite City's Warriors gained the dubious distinction of becoming the 20th victim of Madison's energetic basketball forces Tuesday night, but Andy Sullivan's club probably surprised some members of the capacity crowd in Madison who earlier had predicted an easier victory for the Trojans.

Scoreside, it was easy for Earl McClanahan's Big Green, once the club got its fast break and press into high gear.

The Trojans began to click late in the game against a tiring Warrior team, which had played Madison on most even terms for two of the first three quarters but did not have the bench strength necessary and wound up on the short end of an 80-51 final score.

Sullivan played the game the only way he could — at a slow-down effort against a team which draws its lifeblood from an unceasing knack for rattling the opposition with a full-court press and taking advantage of the mistakes which are almost sure to follow.

The Warriors played deliberately from the beginning, blunted MHS scoring and Don Freeman with a zone defense and held him to 10 points through three quarters.

Freeman broke loose in the first quarter, but in the last eight minutes for 17 minutes, Madison outscored

same after three quarters, as both clubs pumped in 19 points. Granite City closed to within 14 points once in the third quarter. But Madison's racehorse tactics took their toll in the final period, and play became ragged. "We had players open underneath against their press, but the kids just didn't see them," Sullivan said after the game.

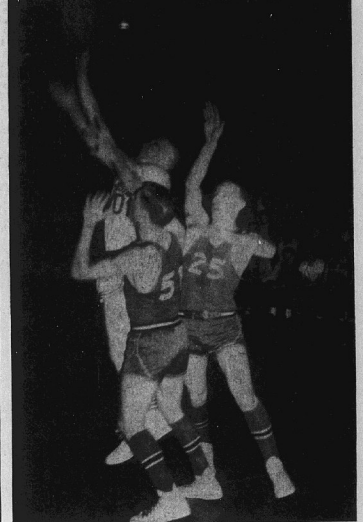

The deliberate style of ball used by Sullivan did not achieve the ends for which it was designed, but it may have given scouts in the stands food for thought around regional tournament time.

Madison's junior varsity club made a clean sweep of the evening by defeating the GCHS Jayvees in the preliminary game, 57-44.

The Warriors, now 3-17, go up against another strong team at home tomorrow night when they take on the Quincey Blue Devils (16-2) at 8:15.

Quincey lost to Madison in the East St. Louis holiday tournament, and suffered its only other setback to Crane Tech of Chicago. Madison looks for its 21st straight victory tomorrow night in a Midwestern conference game at Highland.

The varsity scoring: Granite City — Moore 22, Bill Boyd 11, Charles Papp 8, Jim Proffitt 6, Larry Noblin 2, Larry Lilley 2, Elton Hall 0, George Brink 0, Dave Paoli 0; Madison — Freeman 27, Jackson 12, Haynes 9, Griggs 6, Charles Kosick 9, Ed Petty 2, Charles Venarsky 0.

APPLYING PRESSURE to Madison's Terry Andrews are Warriors Charles Papp (51) and Bill Boyd (25), who could not prevent Andrews from getting off a shot in the quarter of Tuesday's GCHS-Madison basketball game won by the Trojans 80-51. Andrews missed on this attempt, but was fouled by Boyd.

Rampaging Rams Register 8th Straight Win

Devils Score 66-59 Win Over Breese, Tie For 4th

"Through no fault of their own, Venice's Red Devils caught Breese short-handed Tuesday night and rolled to a 66-59 Madison-Clinton-Macoupin counties conference basketball win on the losers' court.

Breese finished the contest with just three players on the court. Three others watched the final few minutes from the sidelines after drawing their fifth personal fouls, and two more were banished for what officials felt was eventful and flagrant use of elbows and fists.

The hosts piled up 28 personal fouls — 20 of them in the first half — and Venice piled up a big advantage from the free throw line as a direct result. It was enough of an advantage to overcome Breese's 22-21 edge in field goals.

Final 11-18
Breese, loser in an overtime game, Venice earlier, used a full-court press all the way. Before Venice could adjust, the home club had run to an 18-11 first-quarter lead. The Devils came back strongly in the second period, led 35-30 at halftime, and continued to rack on points in the second half. Venice's third quarter lead was 45-40.

When the objections and personal fouls took their toll in the fourth period, it was all over. Venice sank 24 free throws during the evening, but missed on 16 other chances. Bill Ohlen-dorf's club shot a respectable 40% from the field.

In Tuesday's junior varsity game, the Venice Jayvees improved their season's record to 10-3 with an easy 68-27 victory over the Breese reserves. Paul Sittion scored 13 points for the winners.

Varsity scoring: Venice — Jerry Cicio 25, Don Devany 21, Bill Black 7, Pete Fields 3, Rich Rousseau 0, James Hornmann 0, Breese — Stark 26, Baker 13, Leslie 8, Thomas 6, Hostmeyer 3, Lappe 2.

GCHS Wrestlers Take 20-1 Record Into District Tourney Saturday

With 20 dual meet victories sailed away for the first time in the school's history, Coach Bill Schmitt will point his Granite City high school wrestlers toward district eliminations this weekend with high hopes of gaining more honors on the mat.

The Warriors wrapped up an unblemished Southwestern conference schedule (8-0) at home Tuesday night by pulverizing Wood River 39-5, although the final score was no indication of Schmitt's dissatisfaction with his club.

"We wrestled poorly," he said yesterday. "Last Tuesday, the boys looked great against Normandy, but last night, I don't know. I'm hoping it was a mental letdown and nothing more. With the exception of (30) Cruise we were in good physical shape."

Part of the "letdown" may have been due to the fact that GCHS had the conference title day's bouts, and had beaten Wood River earlier, 43-5, "Smitty" felt.

Cruise, defending district tournament titlist at 154 pounds, has been hampered most of the year by knee and shoulder injuries. His record has been a winning one, nevertheless, but Schmitt does not know how the injuries

will stand up under the strain of district, sectional and perhaps state tournament competition.

Seek 5th Title
The answer may be forthcoming Saturday, when the one-day district tourney is held at Wood River.

Granite City will seek its fifth straight district title, and returns to the tournament with four champions from last year's eliminations — Cruise, Buddy Felchlin, Sam Fazio and Eldor Foe. Felchlin was the 127-pound champion last year. The remaining three will defend weight titles they won last spring, while Felchlin competes at 135 pounds.

Weight-ins and seedings will be completed Saturday morning at Wood River, with preliminary and semifinal bouts beginning at 1 p.m. Third-place and championship bouts will be wrestled beginning at 7:30 p.m.

"Well, probably get several first seeds," Schmitt predicted, "and our toughest competition most likely will come from Edwille, Cahokia and Wood River."

Other schools with teams in the tournament will be: Cahokia, Western Military Academy and Highland.

Sectional Here Feb. 24
Champions and runners-up in each weight division will join counterparts from East St. Louis, Springfield (Lanphier) and Decatur (MacArthur) districts behind the same day in sectional tourney eliminations at the GCHS gym Saturday, Feb. 24.

After having built up such an advantage, the Rams were able to coast in the second half. Lincoln's reserves 21-17 in the junior varsity squad, 38-8. Varsity match results:

55 pounds — Paul Lanphier (GC) defeated Ricky Thum 5-2; 103 — Dennis Morgan (WR) pinned Dan King, 0-34; 112 — Skip MacMillan (GC) defeated Dan Morgan, 6-4; 120 — Reger Bloodworth (GC) defeated Warren Vance, 7-3.

127 — Larry Reynolds (GC) defeated Bill Haufe, 8-2; 133 — Joe Costanzo, 5-11; 138 — Sam Fazio (GC) won by forfeit; 145 — Eldon Foe (GC) pinned Luis Spano, 2-34.

154 — Bob Cruise (GC) defeated Tom Winderly, 8-2; 160 — Charles Haug (GC) defeated Gene Pahlman, 13-0; 160 — Bob Kary (GC) defeated Don McKean, 8-2; heavy-weight — Gary Reis (GC) defeated Ted Miller, 3-0.

GCHS Jayvee winners who pinned opponents were Bob Troha, Allen Schart and Mike Nichols. Pat Casner and John Zerial won by forfeit, decisions went to Tom Vassilef, Jim Crider, while Dave Gray and Pat Kendrick lost decisions and Danny Petroff drew.

Getting stronger with every outing, Lincoln of Venice won its eighth straight game Tuesday night by dumping Lovejoy of Brooklyn, 76-53.

The win was Coach Stan Lynch's team's 12th in 15 contests this season. The last time the Rams lost was Jan. 19 at Red Bud when they were edged 50-55. Lincoln will have a chance to avenge that setback Friday night when it plays host to Red Bud in an 8:15 game.

"There wasn't any organization out there," said Lynch after the win. "It was sloppy ball. All we were doing after the first quarter was rip and run."

Did Better Before
Lynch pointed out that despite the win, he is not satisfied with his boys' rugged play because Lincoln defeated Lovejoy earlier in the season at 22-50, 81-53. On Tuesday night at Lincoln, the Rams held the visitors to the same output of 53 points in five less points than last time.

Adding to Lynch's miseries was the fact that Lincoln had beaten Lovejoy worse without Tom Hall than with him and the home floor advantage. The Rams missed eight games, scored 22 points Tuesday night.

Chavis Leads Scoring
Game scorers honors went to Bob Chavis, who led the winners with 29 markers. Old re-liner Charles Hatter came in with 15 points for the Rams who grabbed 14-10 and 39-20 first-quarter and halftime leads.

Freeman Averaging 23.5

Madison Has Five Trojans In Double Figures In MWC Scoring Race

Latest tabulation of individual statistics in the Midwest Conference scoring race shows Madison with five men in double figures, with Dan "The Elf" Freeman leading everyone with a lofty 23.5 points-per-game average.

Coach Earl McLaughlin's Madison Trojans have clinched at least a tie for the MWC crown. They are bidding their time until they can capture an undisputed title with either another Madison win in the league or a Cahokia loss.

The Trojans will journey to Highland Friday night, while Cahokia hosts Bethalto.

Has Wrapped It Up

Freeman has wrapped up the individual championship with 188 points in eight games for a 23.5 average.

Only Cahokia's Leary Lentz and Roxana's Steve Taubue have a chance to catch Madison's "Elf," and that would be only if Freeman went scoreless in his last two loop encounters.

Should the impossible happen — Freeman going scoreless — Lentz would have to average 23.8 points a game in his last four contests and Taubue would have to tally 45 points in one game. In either case, the result would only be a tie with Freeman.

Battle For Second

Lentz has pumped in 93 markers in six games for a 15.5 mark while Taubue is ahead of him with a 15.9 average, having scored 143 points in nine league contests. Thus, the battle for the runner-up spot to Freeman appears to have the spotlight.

Joining Freeman from the Madison roster in double figures are: Mick "Hawk" Gravelle (11.3), Charlie "Box" Gravelle (11.3), Ken Griggs (10.9) and Bob Haynes (10.5).

Gravelle is seventh in the conference. Kosek is tied for eighth, Griggs is tied for 12th and Haynes is 16th.

Other Leaders

Highland is the only other team with three or more players in the top 16, which covers all performers who are averaging 10 points or more per game. Carl Beichel is leading Highland's Bulldogs with a 12.0 mark, good for fifth place in the conference, and Jerry Dauderman and Lloyd Eardley sport 11.0 and 10.9.

The first five players in the scoring race represent five of the six schools in the conference. Rounding out the first five is Bethalto's Bob Hilgendorf, who holds the No. 4 slot with a respectable 14.2 mark.

Dupo's individual standout is Willie White, in 14th position with a 10.8 average. Teammate Barry Rideout is 15th with a 10.8 average point production.

Long Appears Certain SWC Point King

For all practical purposes, East St. Louis' Jim Long has the 1961-62 Southwest Missouri Rebell conference scoring title all wrapped up.

It will take a supreme effort by his nearest competitor, Ron Matkitts, for Long to be removed as the individual leader, a position he has occupied almost since the season began.

Both Long and Matkitts of Collinsville have one conference game remaining. In 11 contests, the 6-3 rebounding phenom of the Flyers has scored 264 points, a 24-point average. In the same number of appearances, Matkitts has 234 points for a 21.3 average.

Long makes the last conference appearance of his career in Edwardsville Friday night. Even if he is held scoreless or misses the game entirely, an unlikely possibility, Matkitts must come up with 31 points at Wood River the same evening if he hopes to claim the scoring title, won last year by Collinsville's Fred Kildie.

'Ice Diving Can Be Fun' Bubblemasters Club Discovers

But It Is A Safety First Sport, For Experts Only

Nothing new under the sun? If you think not then you have not come into contact with members of the Bubblemasters adult diving club, who will be hot-tubbing it for the rest of the winter concerning a recent club activity which, for anyone but experts, would have been just plain foolhardy.

The Bubblemasters, practitioners of the still somewhat uncommon sport of SCUBA (self contained underwater breathing apparatus) diving, have added an "ice dive" to the growing list of completed club activities.

Picking the warmest weekend of the winter (air temperature 36 degrees) five carloads of club members traveled to Lake Robinson near Carrollton, chopped a four-foot-square hole through six inches of ice and spent an interesting afternoon discovering what the underside of the ice covering looked like.

Sounds simple—find an ice-covered lake, chop a hole and jump in.

But the Bubblemasters used every precaution to insure the safety of each diver. All are experienced divers, and most had never donned wet suits and strapped on air tanks to explore an ice-covered lake.

Advance Preparation

A week in advance of the dive, Bubblemasters' Air Master Rich Griffin was on the phone checking with members to make sure their air tanks were filled.

No definite date for the dive had been set, but most had the first Sunday when the right weather conditions prevailed, and Griffin wanted to be sure his fellow divers had tanks which would not need recharging in the last minute.

Several of the club members who were to participate in the dive had been selected by an enthusiastic group of splashing around in water, the temperature of which was 38 degrees, newcomers to the club who recently moved to Granite City from Minefield, had persuaded them that "ice diving can be fun."

A SOMEWHAT CAUTIOUS Carl Krohne prepares to submerge under the ice of Lake Robinson near Carrollton, Mo., as a recent Bubblemasters diving club ice dive gets underway. Krohne, club president, floats in a four-foot-square hole chopped through six inches of ice. Interested watchers, also members of the diving club and soon to be under the ice themselves, include Ginny McDonald, club secretary and one of two women to make the dive (behind Krohne), Cliff Blankenship (standing), and Jerry Moseman (right).

what foolish but light-headed people who seek adventure in skin diving.

Dive In Pairs

To insure safety, dives were made in pairs, and the "buddy system" was used at all times while under the ice. The spirit of things was cheered by two female members of the Bubblemasters, Club Secretary Jenny McDonald, and Dixie Griffin, who made three dives during the afternoon.

Again, for safety's sake, duration of the dives was limited to about 20 minutes at the longest, due to the low temperature of the water. All divers wore wet suits, that is, rubber suits which do not keep out the water but

which cover the skin and hold in body heat.

Twelve divers made out-of-the-ice jaunts, including two from an Alton skin diving club, the Masketeers. By late afternoon, there were 30 members of the two clubs on hand, and those who did not actually participate in the diving were available to lend assistance with life lines and help prepare a pot luck supper which was served at the Carrollton country club, used as a base of operation.

Several members of the club who were not satisfied with one unique experience for the day stayed at the lake until late in the evening. Five divers went under the ice in darkness, using artificial lights. "Spooky" was the descriptive words used by one of them upon his return to the surface.

Their ice diving antics for this year may have concluded at Lake Robinson, but the Bubblemasters already are talking about a skin diving venture in the Bahamas Islands this summer.

The club's programming committee is scheduled to meet today with Blankenship to set up a yearly activity schedule—one which may include another ice dive next winter. Definitely planned are summer dives in manmade lakes in the Ozarks, in the Current River and possibly the "bottomless" Blue Spring near Eminence, Mo.

Recovery Team

Now incorporated as a not-for-profit corporation, the Bubblemasters also plan to meet with local civil defense officials in an attempt to establish an underwater recovery team.

While club members are expert in the ways of the underwater swimmer—and strongly recommend against an amateur attempting something similar to the winter activity described above—they continue individual training on a regular basis. The YMCA's indoor pool; they will practice the ditching and removal of equipment in the water.

Always interested in gaining new members, the club will stage a child sport next Saturday from 4:30 to 8 p. m. at the YMCA.

30 Elderly Anglers Get Special Licenses

Thirty 50-cent resident Illinois fishing licenses have been issued in Granite City since Feb. 1 by City Clerk A. L. Stevens. The special 50-cent permit for anglers who have attained the age of 65 became available for over-the-counter issuance the first of the month.

Stevens points out that prior to that time, people had to write to Springfield for the special license. He added there are five subagents in the area whose sales reports of the 50-cent permits were not available.

Regular resident fishing licenses cost \$2.25. Stevens has issued 80 regular permits since Feb. 1.

Plaza Pizza Edges Past Sharpshooters; Trojans Beat Roca

Plaza Pizza House fought off a stubborn YMCA quintet last night at the Lincoln Place Community center to win the "B" Division title of the park district's "Senior League" with a 9-1 record. In the nightcap, the Trojans trampled Roca 83-41, finishing with an 8-2 mark.

Bill Abernathy's 25 points led Plaza to past the YMCA Sharpshooters despite a 37-point performance by Larry Melton for the local team. Steve Schaefer and Conley Howell added 16 and 11 for the victors, who won their ninth game in 10 starts.

Joe Fanning and Lloyd Watte contributed 15 and 11 markers for the Sharpshooters.

Mike Sues and Harry Thurman paced the Trojans to their eighth win in 10 outings as they pounded in 23 points. The Rick Copeland added 15 markers for the Trojans. Walt Gasparovic called 14 for the losing Roca Clubs.

Ybarras Win Again

Those Ybarra brothers are at it again. Connie Ybarra, fighting in the 135-pound novice class, and brother Jose, a 118-pound novice, brought home Jaycees state boxing tournament championships from Champion last night.

Connie, named the most outstanding tournament boxer at its conclusion, won a unanimous decision over Charles Beasley of Peoria, after Jose had scored in the same manner over Johnny Bratton of Danville.

Joe Ybarra and Bill Smith, outstanding local 135-pounder, who did not appear in the Champion tournament due to an ear injury, will box in the Springfield Jaycee tournament Sunday and Monday in the open division, where winners get the chance to advance to the Golden Gloves national finals in Chicago.

Held For Attack On Bridge Toll Collector

Richard D. Casey, 34, St. Louis, is being held in the Venice jail on charges of assault and kidnapping after allegedly striking Merle Cooper, a McKinley Bridge toll collector, at 4 a.m. today.

Cooper said Casey drove up on the wrong side of the toll booth and was told to back up and drive on the other side. After paying the toll, Casey cursed him. Cooper reported, and a then moved his car out of the traffic lane, came back and attacked Cooper.

A 1959 used car's carburetor had backfired and caught the insulation under the hood ablaze at 4:15. The flames were extinguished and firemen estimated the loss at \$10.

Also at 4:15 a call came that there was a fire in the 1900 block of Omaha street. Answering the call from the main station, the West Granite crew went to a vacant house at 1928 Omaha where weeds were burning at the rear of the dwelling. No loss was reported to the house that is owned by the Granite City Steel Co.

The seventh fire call came at 6:05 when the main station crew, back from the Daniel blaze, was sent to the Mary Padgett residence, 2701 East 24th street, where the weeds near a fence caught fire. No loss was reported.

Fifteen minutes later the same crew extinguished a grass fire at the Edward Haven home just two blocks away at 2548 East 24th street. No loss was reported at this last fire.

Later, officers located \$71 in currency inside Montgomery's socks.

The two were released to sheriff's deputies, with a "hold order" also placed by East St. Louis police.

Confiscate Burglar Tools

A scheduled safecracking at the Venice post office Monday night was thwarted with arrests made Sunday and Monday. Venice police learned during questioning of suspects this week.

Six men residing in Venice, Madison, St. Louis and Robinson, Mo., were taken into custody.

A white 1959 auto in which some of the suspects were apprehended had a large saw lying on the back seat.

The locked trunk was found to contain a 16-pound sledgehammer, a smaller hammer, double-bit axe, crowbar, steel drill, steel rod, pipe, gloves, other clothing and a two-foot-long punch. The tools were confiscated.

Efforts were made to link some of the group with a burglary attempt on the night of Feb. 8 at the Venice Liquor Store, 136 Broadway. A back porch screen door was pried loose and a lock was broken on a rear door, but entrance was not gained.

Charges of possessing burglar tools and attempted burglary of the liquor store were filed yesterday against Emory Taylor, 42, of 802 Webster street, West Madison, and Gauder Hoskins, 31, St. Louis. Both waived preliminary hearings and were bound over to the grand jury.

Taylor being taken to the county jail and Hoskins being released on \$1000 bond.

James Adams, 57, St. Louis, also in the auto where it was stopped by police in the 900 block of College street, was booked as a material witness and released on \$1000 bond.

Two school break-ins within the city of Venice were reported early this week, the first at Blair grade school in North Venice, a part of the Madison school district, and the second at the Lincoln public school on South Fourth street.

At Blair, it was reported late Monday to police that a week-end burglary had netted a type-writer, adding machine, record player and two basketballs. In addition, bottles of chocolate milk were consumed and ice cream was eaten while the intruder or intruders were in the building.

Entrance was gained by climbing onto the roof above a utility room, breaking glass in a window leading to a teachers' lounge. A petty cash drawer in a desk was pried open, but nothing was taken from it.

The Lincoln school burglary, discovered by a custodian at 4:45 a.m. Tuesday, resulted in loss of a television set and a record player, a preliminary inventory showed.

The thieves broke out two sections of glass to enter the boiler room, broke glass in an office door, broke a pane in a door leading to an adjacent room where the TV set was obtained, and then broke two door glasses at a second-floor room where the record player was removed.

Passing Violation

Mrs. Bessie Young, 48, of 1152 Rhodes street, posted \$11 cash bond at 11:20 last night after being charged with passing on the Niedringhaus avenue railroad tracks crossing.

Byron C. Schuckman, 43, of Ferguson, Mo., was passing a truck when it swerved to the left, forcing him into the path of the car of Alan McGonigal, 28, of St. Louis.

McGonigal was thrown against the steering wheel by the impact, and later underwent chest x-rays at St. Elizabeth Hospital. A passenger in his car, Alvin Standa, 29, of 2102 Washington avenue, underwent skull x-rays. Both were released. Schuckman reported no injuries.

Mrs. Viola Cook, 63, of 4024 Lakeview drive, was given emergency treatment at St. Elizabeth Hospital Tuesday afternoon for injuries to her left leg, suffered in a two-car crash on Pontoon road, a quarter mile west of the Route 111 junction.

State troopers said Mrs. Cook was a passenger in a car driven west on Pontoon road by her husband, Wallace Cook, 70, who escaped injury.

Reception To Honor Frank Hanfelder On 90th Birthday

Frank Hanfelder, who was Chouteau township tax assessor for 38 years until retiring in 1957, will observe his 90th birthday from 2 to 4 p.m. Sunday with a reception at the Dad's Club Park pavilion in South Roxana and is asking all his friends to join him in the celebration.

Hanfelder, who resides with his wife, the former Ida Williams of Mitchell, along U. S. Highway 67a, is active in his age and last week again passed the test for renewal of his state driver's license.

The former public official, who also served as Chouteau township tax collector from 1914 to 1918, is well-known throughout the Quad-Cities and was a member of St. John Evangelical & Reformed Church here before a church was organized in the Roxana section of the township by Rev. Robert Kefer, former pastor of St. Peter E & R Church here.

Born At Stone Church, Ill. Hanfelder's parents were teenagers when they arrived in St. Louis, and then bought and operated a general store at Stone Church, Ill., where he was born Feb. 18, 1872, one of a family of four boys and seven girls.

He recalls attending the one-room log school, known as Black Jack school, until he was 12. The school terms were during winter months only, and Hanfelder walked three miles to study "three R's."

When 13, he worked for a neighbor for five months and earned \$45. "I went to a picnic and spent 25 cents and had more fun than today when picnics are more expensive. The rest of the money was spent for clothes and books for the family."

When Hanfelder was 15, his father bought a farm in the north section of Chouteau township. His father died two years later, and the youth operated the farm until 1888 when he married the former Miss Lydia Kastings, who passed away in 1943. He has a daughter, Mrs. Bruce Hart, and a son, William.

The investigating team was appointed by attorneys for the Tri-Cities Citizens Committee, an organization composed of factions in Madison, Charleston, Ill., and Frankfort, Ind., opposing the proposed merger.

Arnold McCure, a Nickel Plate employee who is chairman of Anti-Merger Employees United, said the meetings, one at 10 a.m. and the second at 7:30 p.m., were both well attended.

He said the investigators provided data on effects of the proposed merger gathered on trips to Chicago, Cleveland, and Washington, D.C. They have conferred with officials of labor, management, and the government, he said.

In addition to hearing the reports, workers attending the sessions discussed plans to raise funds to pay attorney fees estimated at \$10,000. Workers in Charleston and the Indiana city already have raised some \$6200 toward the costs, McCure said.

Attorneys for the Citizens Committee filed petitions to intervene at the Feb. 12 hearing before the Interstate Commerce Commission in Washington, and will present the case for the op-

who resides in this area, 14 grandchildren and 16 great grandchildren. Two other daughters and a son died in infancy. Hanfelder bought a farm north of Nameoki on land now in the Granite City limits. He recalls the start of the inter-urban trolley from Alton to East St. Louis in 1905. It ran across his farm. Prior to 1908, he picked up his mail at Mitchell, but then the East Alton rural route was established.

Hanfelder saw the development of refineries at Wood River; the loss of favorite hunting and fishing grounds with industrial growth; took part in week-long threshing activities at neighbors' farms and the New Year's school when farm youths would visit all homes for homemade bread, coffee cake, sausage and cider.

From 1910 to 1914, he was road boss and with teams his crews maintained dirt roads, dragging the Alton-St. Louis road after every rain. Before river bridges were built, he ferried all farm produce in his younger years and still is an enthusiast. "I still like horseshoe pitching and pool, and I extend a challenge to my friends to come to my home for a game."

13 Quad-Cityans Get Citizenship Papers

(Special from Springfield) Thirteen Quad-City residents who had met requirements for naturalization were sworn in as American citizens Tuesday in ceremonies at the court room of U. S. District Judge Omer P. Hilsbork.

They were among 62 new citizens from 21 foreign countries who now reside in Madison, Greene, Macon, Sangamon, Montgomery, Macoupin and Christian counties in Illinois. Madison countyans among the group of new citizens were from Granite City, Madison, Venice, Alton, Hartford, East Alton, Godfrey, Bethalto, Highland and Collinsville.

New American citizens from Granite City include Mrs. Jesus Rangel Castillo, John Tow-Stork, Mrs. Angellia Tow-Stork, Mrs. Ok Kee Love, Bartold Wilhelm Waltenberger, Nicholas Milianis, Mr. and Mrs. Ambuehl and Jasmina Ambuehl and Mrs. Paulette Jeanne Bassett.

Final citizenship papers were also presented to Mrs. Alexander Mofsky and Mrs. Henri Tague of Madison and Mrs. Josef Schmidt of Venice.

position at a hearing scheduled for Feb. 26, also to be held at Washington.

In addition to members of Anti-Merger Employees United, the Tuesday meetings were attended by representatives of both the Nickel Plate and Washash railroads, and the Brotherhood of Railroad Trainmen.

Annual Valentine Party Of Madison Rotary Club

Madison Rotarians and their wives and guests participated in the club's annual valentine party last night at the Rose Bowl. A dinner was served, and a musical program included group singing. The evening concluded with the group viewing a television tour of the White House.

Valentine floral displays and candies provided the setting and were presented to each of the ladies. President Fred Schmidt, presided, with Harry Thebeau and Anthony Zedek heading the arrangements committee.

GC Teachers To Elect Today, Install Feb. 21

Officers of Granite City Local 743, American Federation of Teachers, are to be elected this afternoon during a meeting at Coolidge junior high school and will be installed at a smorgasbord dinner at 6 p.m. Wednesday, Feb. 21, at Granite City high school.

Rev. Vernie Barnett, Niedringhaus Methodist Church pastor, will be guest speaker next week and Paul Wood of Springfield, executive secretary of the state teachers' federation, is expected to be the installing officer. Robert Nelson is president.

GC Police Still Await Autopsy Report

Granite City police and Assistant State's Atty. John Gitchoff are still awaiting the official report of an autopsy performed on Mrs. Genevieve Ziffer, 42, of Pacific, Mo., who was found dead in a Grand avenue apartment last Friday. Deputy Coroner Henry Pieper, told the Press-Record today that the autopsy report has not been completed.

Police Chief Raymond Wilbard said the condition of Bernard Joseph Robbe, 51, of 1837 Grand, was unchanged at St. Mary's Hospital, Clayton, Mo. Robbe was found unconscious in the apartment.

Pickets Removed, Firm Not Involved

Pickets from Laborers Local 397, who marched about four hours yesterday morning in front of the burned-out garage at 2261 Madison avenue and the Miller-Wolf Agency at Bellemeor Village shopping center, were withdrawn shortly before noon.

Carl Miller, a partner in the agency, said he has personally purchased the damaged garage building which he plans to have rebuilt for another tenant, and that a disagreement arose over the cleaning of fire debris by a private individual who had purchased the salvage from him. Miller explained the agency was not involved in the transaction, since he purchased the building as an individual. He had sold the salvage to a private individual, who was doing his own hauling. The pickets were removed after lawyers for Miller and the union met to determine procedures to be followed. Jack Green, business agent for the union, could not be reached.

Shed Catches Fire

A shed at the rear of a four-family flat at 2133 Benton street caught fire last night at 8:50, apparently from a rubbish blaze. Firemen estimated \$25 loss to the shed belonging to Leo Diefenauer.

action, since he purchased the building as an individual. He had sold the salvage to a private individual, who was doing his own hauling. The pickets were removed after lawyers for Miller and the union met to determine procedures to be followed. Jack Green, business agent for the union, could not be reached.

Madison Junior Service Club Valentine Party

Mrs. Evelyn Blattner, president of the Madison Junior Service Club, presided over a monthly meeting and valentine party Tuesday evening.

The members gathered in the service rooms of the First Presbyterian Church of Madison for a luncheon served by the hostesses, Mrs. Josephine George, Mrs. Janet Lentz, Mrs. Albert Mikolajuk and Miss Dorothy Hinson.

The tables were decorated in a valentine motif.

It was announced that a federation meeting of junior service clubs, postponed due to weather conditions during January, has been scheduled for Feb. 24 at Tony's on Nameoki road. Reservations are to be called to the president by Saturday.

Names for new members were voted upon, and these named will be sent invitations in the near future.

Mrs. Lentz, co-chairman with Mrs. Hilda Gravelle of the follies to be held again this spring, gave a progress report. Various committees have started working and practicing. The follies will be known as "Best of Broadway" and will be held May 11 and 12 at Madison Junior high school.

Prizes were awarded to Mrs. Martha Stanfill, Mrs. Helen Franich, Mrs. Doris Peterson and Mrs. Blattner. The next club meeting will be held March 13 at the church.

Founders Day Banquet For PTA

Approximately 70 persons attended the annual Founders Day Banquet of the Dunbar school PTA last night in the school cafeteria.

The president, Mrs. Ola Jones, was in charge and the pledge to the flag was led by Boy Scouts of Troop 45. A short business session was held and a nominating committee was selected.

Mrs. L. V. Weston was named chairman and other members of the committee are Mrs. A. H. Hampton and Mrs. Marie Hampton.

The sixth grade, taught by Clara Horton, was winner in the room contest, and the speaker of the evening was Mrs. Marvin Roberts, director of District 29, PTA.

Special music was furnished by the Dunbar chorus directed by Emma L. Timmons and Thomas Owens. An Illinois Congress of Parent Teachers Life membership certificate was presented to Mrs. Annie Hampton.

Valentine Party Set By Sorority

The home of the president, Mrs. Beatrice Brackett, 2301 Gary avenue, was the place of meeting for Theta Iota chapter of Beta Sigma sorority last night.

The hostess was in charge and Mrs. Betty Ebling gave a resume at a recent executive board meeting. Mrs. Lucille Harper reported on the family night party and Mrs. Joyce Todd announced Friday evening as the date for the Valentine party to be held at Tony's restaurant.

Miss Alice Holshouser collected food from the members for the annual "Heart Basket," and the group discussed the annual convention of the sorority to be held here this spring in which all local chapters will participate.

Mrs. Pat Tsigalaroff, Mrs. Alice Konecny and Mrs. Todd were elected to the nominating committee to select new officers. Taking the place of the regular program were the viewing of the TV White House tour and motion pictures of the state of Oregon shown by Miss Ruth Stoyanoff, program chairman, assisted by Mrs. Konecny.

Mrs. Juana Calve received the "round robin," a bakery product, and the choir for the evening went to Mrs. Tsigalaroff.

A dessert course was served by the hostess who carried out a Valentine theme. Valentine favors made by Mrs. Harper were presented to each-one present.

Mrs. Statton Is Guest Speaker

Mrs. Queenie Ertimoff, 3119 Colgate place, entertained Theta Iota chapter of Beta Sigma Phi at a Valentine party last night.

The hostess used Valentine flowers and appointments in the arrangements of her table and in the dessert course served and Valentine gifts were exchanged. Plans were presented for an area convention at the YMCA April 8, and the program for the evening consisted of a talk on antiques and a display of her china collection by Mrs. Frances Statton at her home, 2547 Cleveland blvd.

Present were 11 members and a guest, Miss Kathleen Palchoff. Miss Sadie Hagopian received the prize for the evening and plans were made to meet next with Miss Hagopian at 3731 Olive street.

St. Mary's Group Plans Jubilee

St. Mary's Holy Name Boosters of St. Mary's parochial school in Madison held a monthly meeting last night in the school cafeteria with Otto Sandberg, chairman, in charge.

There was a discussion of the jubilee celebration of the parish to be held in the fall and announcement of other coming events by Rev. Engelbert Bieneke. Twenty were present, including Mike Kozick, president for the month. Summer projects were discussed, and refreshments were served after the meeting to 20 members.

JUNIOR SERVICE BOARD BUSINESS DISCUSSION

The executive board of the Granite City Junior Service club met Monday evening at the home of Mrs. Thomas Burns, 2900 Fortune drive, Mrs. Oliver Jacobsmeier, president, conducted the meeting and reports were given by Mrs. Ted Vrennick, Mrs. Paul Morris and Mrs. William McMurry on the "quest night" they attended at the Collinsville Junior Service club.

Mrs. Jacobsmeier announced that a Federation luncheon will be held Feb. 24 at Tony's in Mitchell, and the Venice Junior Service club will be host.

Members of the club will distribute heart fund containers to various stores and public places during the current campaign.

Mrs. Morris reported that shoes have been purchased for a child and glasses for another.

Mrs. Vrennick, chairman of a fashion show scheduled March 6, said plans are nearly complete.

Mrs. Burns served a late dessert course. Those present included Mrs. John Schiffer, Mrs. Kenneth Rapp, Mrs. Charles McConnell, Mrs. Steve Kovar, Mrs. Paul Knecht, Miss Margie Green-donner and Mrs. Marvin Fitzpatrick.

The February club meeting will be held at the Elks club next Monday evening.

IT TAKES "KNOW-HOW" TO BUY CANNED CORN

Altho corn dates back to biblical days, Richard Bagnall, an army man, brought the first ears of sweet corn to Plymouth, Mass. It was a sensational success and New Englanders promptly began to raise it. By 1880, it was first canned in America. Our buyers claim that selecting this delightful vegetable takes as much know-how as a wine expert would use in his profession. Last fall, as usual, a huge assortment of samples arrived from Illinois, Wisconsin and Minnesota packers. Our buyers order from samples they believe you'll like, based on tenderness, flavor and color... also low starch content. We've 27 corn items on our shelves (various brands and can sizes). Your favorite type will be here in the size can you prefer.

LUNCHEON FOR CLUB

Mrs. Naomi Boelling entertained members of the Lepine club Monday evening in her home. The evening was spent at games, and prizes were awarded to Mrs. Ora Anderson, Mrs. Kathryn Fellers, Mrs. Jessie Oehler and Mrs. Celi McGee.

The hostess served a luncheon to the above and Mrs. Myrtle Fields, Mrs. Mabel McGee, Mrs. Hazel Painter, Mrs. Address Brown, Miss Catherine McGee and Mrs. Lucy Williams. Hostesses for the March meeting will be Mrs. Oehler.

VALENTINE EXCHANGE

Intermediate Girl Scout Troop 42 met Monday afternoon at the home of the leader, Mrs. Erma Blattner. Following a brief meeting, a St. Valentine's Day party was held. Dancing was enjoyed, games were played and the girls exchanged valentines.

Refreshments were served to Barbara Blattner, Selinda Brown, Glenda Brown, Cindy Bloodworth, Diane Lopez, Karen Hayden, Sally Eastington, Judy Johnson, Brenda Long, Shirley Coggins, Patricia Sifton, Joan Pickens, Karen Devany, Linda Fears, Joyce Dillman, Linda Presswood and Sharon Whitworth.

VALENTINE PARTY

Brownie Troop 37 met Tuesday afternoon in the student lounge of Venice high school with the leader, Mrs. Delores Bosworth. The meeting was opened with the Brownie Promise, and the girls completed work on a St. Valentine's Day project.

A party was held, and games were played. Refreshments were served to Connie Boeworth, Sharon Ballentine, Debbie Clark, Libby Hackney, Debbie Fecho, Georgia Snider, Ginger Hill, Claudine Parris, Betty Lou Puent, and Rita Shrum. The meeting was closed with "Taps".

PLAN PACK BANQUET

Den mothers of Venice Cub Pack One met Tuesday morning at the home of Mrs. Margaret Lee. Plans were discussed for the annual "blue and gold" banquet which will be held Feb. 25 at St. Mark's Church. A pot luck dinner will be served at 4 p.m.

Those attending the meeting were Mrs. Alice Rumpf, Mrs. Whitworth, Mrs. Betty Ballentine and Mrs. Shirley Ochoa.

Den One of Cub Pack One met Tuesday afternoon with the leaders, Mrs. Margaret Lee and Mrs. Margaret Reidelberger. The meeting was opened with the pledge of allegiance, and the boys worked on projects and a centerpiece. They also discussed the life of Lincoln. Present were Ricky Reidelberger, Jack Lee, David Scaturro, Philip Daniels and Boyce Dillman. The meeting was closed with the law of the pack.

47% Of Assessment

(Continued from Page 1)

and \$960,580 added to this by the Board of Review.

For Venice township, Assessor Joseph Bergatti listed \$62,482,390 last year and this was trimmed to \$62,368,085. In the newly-reported 1961 assessment year, the assessor's books showed \$63,095,545 and the board upped them to \$63,113,685.

Thus, the \$745,600 gain in valuation from a year ago consists of \$727,160 proposed by Bergatti and an additional \$18,440 ordered by the board.

\$2,000,000 Nameoki Rise
Nameoki Assessor Joseph Coban, for the 1960 assessment year, reported \$21,525,035, which was changed to \$21,387,895 by the Board of Review. For 1961, he valued Nameoki township property at \$22,392,875, and the total was increased to \$23,553,315 by the board.

The resulting \$2,165,420 rise includes \$1,094,980 proposed by Coban and \$1,160,440 added by the review board.

For the combined three townships, the \$2,815,125 personal

property boost and the \$1,358,890 increase on lands represent combinations of increases by both the assessors and board — \$1,793,835 and \$1,021,290, respectively, on personally assessed lands, and \$1,601,190 on lands. On Quad-City lots, the assessors listed an increase of \$3,695,020 but \$46,410 of this was removed by the board for the \$3,648,610 rise. On locally assessed railroad property, assessors listed a \$1270 decrease but the board added \$4000 for the net increase of \$2820.

Chouteau Township
In Chouteau township, which includes the Mitchell area, the new total of \$18,286,453 represents a \$755,210 gain over the

final 1960 amount of \$17,531,245. The \$17,531,245 figure included a board increase over the \$17,237,215 set by the assessor. For 1961, the assessor listed \$18,571,375 and the board added another \$229,080.

A breakdown for Madison county follows:

Assessors for 1960 — \$218,660,970 personal, \$191,413,445 lands, \$344,079,280 lots and \$701,535 local railroad for a total of \$755,629,620.

Review board for 1960 — \$218,987,360 personal, \$193,817,915 lands, \$342,935,515 lots and \$860,015 local railroad for a total of \$755,746,795.

Assessors for 1961 — \$221,655,960 personal, \$197,146,295 lands, \$352,464,255 lots and \$657,990 local railroad for a total of \$879,264,500.

Board for 1961 — \$223,800,200 personal, \$198,390,135 lands, \$352,004,755 lots and \$682,830 local railroad for a total of \$877,595,920.

The board added \$3,123,420 — \$3,582,920 in personal land and railroad increases, with \$459,500 in lot reductions — to what the assessors had set for 1961. However, the actual increase over final 1960 assessments was \$18,447,115, since the assessors already had added \$15,323,695.

MARINE PFC. MARTIN

RETURNS TO EAST

Marine Pfc. Dennis Martin, who arrived here from Cuba, has returned to duty after spending a ten-day leave with his parents, Mr. and Mrs. C. L. Martin, 2118 Iowa street. He missed by one week his brother, Larry, who had returned to San Diego after a 30-day leave at home.

The brothers enlisted together in October 1960 and went through four and one-half months "boot" training together. Dennis is stationed on the east coast in North Carolina and Larry in San Diego, Calif. They hope to have a few days leave at home together in June.

Roca Gold Record

Dance On Saturday

Gold chapter of Roca Young Men's club will hold a record dance for members and guests Saturday evening in the "300" room at Big Top Bowl. Dancing will be held from 8:30 p. m. until midnight.

Tuesday night the chapter accepted three new pledges, Charles Hayes, Terry Young and Bob Schober, during its regular meeting at Big Top, and made plans for a fund-raising car on Saturday at a local service station.

County Scholarship Examinations March 31

Madison county scholarship examinations for scholarships to the University of Illinois will be held on Saturday, March 31. Students residing in this county who wish to write the examination are asked to register their names and addresses in the county superintendent's office through their high school principal on or before March 16.

Candidates will assemble at Edwardsville high school at 8:45 a.m. March 31. The examination will begin promptly at 9 a.m. and be completed at 11:30 a.m.

County School Supt. Wilbur R. L. Trimpe has announced. The following scholarships will be awarded for the University of Illinois on the results of the examination. If properly qualified candidates appear and have satisfactory scores on the tests: Five county or general scholarships, one agriculture scholarship, one home economic scholarship, one scholarship for a child of a veteran of world war I, one scholarship for a child of a veteran of world war II and one scholarship for a child of a veteran of the Korean conflict.

All scholarships cover tuition of \$170 a year for four years. In choosing candidates for the scholarships for veterans' children, preference will be given to the child of a veteran who is deceased or disabled, as provided in the law.

Tests will cover high school work and will measure ability to do college work successfully.

Traffic Court Fine

Albert H. Bulla, 34, of 111 Springfield avenue pleaded guilty before Police Magistrate Gasparovic Monday to a charge of passing a red light at Niedringhaus and Madison avenues Friday at 6:20 p.m. and was fined \$25 plus court costs.

BURNETT ORDAINED BAPTIST MINISTER

Donald D. Burnett, son of Mr. and Mrs. Ben Burnett, 2434 Illinois avenue, was ordained to the ministry of the Corinth Baptist Church near Salem, Mo., Sunday afternoon. He is pastor of the Ashley Creek Baptist Church.

Rev. W. L. Showers, pastor of Second Baptist Church, gave the ordination sermon. Rev. Burnett is a former member of Second Baptist Church.

The ordination took place in the Corinth church, the "home" church of Rev. Wilbert Snider, pastor of Calvary Baptist Church here, who was present for the ceremony.

Rev. Burnett was graduated from Granite City high school in 1943 and served in the U. S. Navy in world war II. He formerly was sewer inspector for the city of Granite City.

A number of local people, members of the Burnett family and friends, were in Salem for the event. Rev. Showers preached at the Ashley Creek Church Feb. 10 and Sunday morning at the Corinth Church.

VALENTINE PARTY

The Mildred Richardson Sunbeam band of Second Baptist Church met Sunday for a Valentine party. Mrs. Amy Toney opened the meeting with prayer and read a story. She assisted the children in making valentines for their parents and in preparing a valentine and a box of candy for a shut-in. Each child received a valentine.

Miss Senora Welty served ice cream and cookies, using valentine napkins and favors. Mrs. Toney presented a valentine to each child. Guests were Mrs. Mary McKinney, Tena Penrod, Gail Lewis, Tammie Lupatius, Clara Lupatius, Nancy Sanders, Julie Whitson and a new member, Vicki Smith. Guests were Susan Welty, Ellis Angle and Sheryl Hancock.

CALL TO CALIFORNIA

Mrs. Don (Anna) Burnett, 2236 Lee avenue, left Sunday for jet plane for Long Beach, Calif., where she was called due to the illness of her brother, E. B. Thomas, a former local resident.

Rev. and Mrs. Floyd Milton of Lola, Ky., have been conducting services at the Bethel Chapel, 21st street and Dewey avenue, while Mrs. Milton's parents, Rev. and Mrs. Ralph Cook, are vacationing in Florida.

Depot To Hire Guard

The Granite City Engineer Depot is accepting applications for the positions of guard and for engineer equipment body and fender repairer. The rates of pay are \$3760 per annum and \$238 per hour respectively, with vacation, sick leave, retirement and other benefits.

Other information as to experience requirements is available at the Civilian Personnel Office of the depot.

Congressional Action Group Plans To Aid Quad-City Area

Protection and promotion of the best interests of the Quad-Cities is the goal of the Congressional Action committee of the Tri-Cities Chamber of Commerce which held its organizational meeting Monday afternoon following a luncheon at the Elks Club.

Sam L. Meyer, chairman, called the meeting of the group's subcommittee chairmen to outline the year's program and confer on activities. The group decided to hold subcommittee meetings as needed with a full committee luncheon session on the first Monday of each month, prior to the C. of C. board meetings of the first Tuesday.

As the groups begin studies of Congressional activities, they will submit reports and recommendations on pending legislation to the full committee. The C. of C. board and the membership.

Speakers For Groups
The Congressional Action committee also will be available to speak to civic and service clubs, and a goal of the unit is to bring about personal contact between individuals of the Quad-Cities and Congressmen to let the political leaders know of local opinions on legislative matters. All Quad-Cities members will be urged to write the Congressmen.

Ruling Given On Twp. Road Machinery Taxes

A proposition to impose an additional township tax for purchase of road machinery and equipment should be submitted prior to July 17, 1957, is scheduled to participate with other personnel from the 23rd Infantry at Fort Richardson, Alaska, in Exercise Great Bear, a joint U. S.-Canadian winter maneuver in Alaska, starting this week.

The exercise will test cold weather military doctrine, and the ability of the two allied armies to work together as a fighting team. Exercise Great Bear will be conducted in the vicinity of Tananariv and Eielson Air Force Base, one of the most rugged areas over which an Alaskan maneuver has ever been held. Principal terrain features in the 3200 square-mile maneuver area are the heavily forested lowlands of the Tananariv river valley and the mountains which range as high as 4,000 feet, converging on both sides of the valley.

School nurses who are participants in the Teachers' Retirement System by reason of their certification as public health nurses can no longer continue such participation, because of the 1961 General Assembly of the act in regard to public health nursing.

A township library tax rate now in effect cannot be changed except by a referendum.

GCHS Sophomore Class To Give Play Feb. 20

The sophomore class of the Granite City high school will present the play "Date Ball" Tuesday, Feb. 20, at 8 p.m. in the school auditorium.

The play, dealing with American family life, will be directed by Miss Sandra Lierman, teacher of English, and Janet Rhine, student director.

Taking part will be Jeanne Little, Michael McCarthy, Barbara Morrison, Richard McKinney, Judy White, Pamela Goodin, Barry Lewis, Wayne Hancock, Bob Pyle, Kenneth Ferro, Bill Stanley and Eric Robertson.

The admission will be 35 cents and tickets may be secured from any of the students. No seats will be reserved.

Soybean Price Support Deadline Extended

Due to the large quantity of soybeans which have not been harvested and because the road conditions which made it impossible to draw samples in some areas until late January, Commodity Credit Corporation deemed it advisable to extend the final date to obtain price support on 1961 soybeans, Edwin C. Reithner, chairman of the Madison County ASC Committee, said today.

The final date for obtaining farm-stored loans, warehouse stored loans or purchase agreements for the 1961 crop is extended from Jan. 31, to March 31.

The chairman said all loan documents must be completed by the closing date, therefore, producers making application for farm-stored loans must apply for the loan by March 20 in order that the inspector can make the inspection and the grading of the grain and processing of the loan documents completed by the final date.

Twilight Optimists Hear Investor Monday

George J. Frangoulis, manager of the Granite City office of Dempsey-Tegeler & Co. investment firm was guest speaker at the regular semi-monthly meeting of the Twilight Optimist Club Monday night at Cline's Restaurant.

Before investing in the stock market, Frangoulis told his audience, one should have money in the bank, should have sufficient insurance on himself and his family, and either own his home or have satisfactory arrangements for paying for it.

As a sidelight, the speaker pointed out the importance of investments through the stock market in development of modern buildings, machinery and scientific equipment. Future inventions of import will be financed through the stock market, he said.

Also present was Reuben Mendoza, who plays inside left position for the St. Louis soccer team and who is planning a junior soccer league for Granite City. Mendoza will be speaker at the Optimist's Feb. 26 meeting at the Granite City Engineer Depot NCO Club.

Fifteen members attended the Monday night meeting, with one guest, Joe Leutenegger. In a short board meeting following club directors voted to sponsor a team in the soccer league to be organized by Mendoza.

TELEPHONE TALK

by George Mauze, Mgr., Granite City, Illinois

DID YOU KNOW

Did you know that you have two telephone numbers?

One, of course, is your regular local number. The other is your nationwide Long Distance number. And your Long Distance number is unlike any other telephone number in the United States or Canada.

The only difference between the two is that your Long Distance number includes Area Code 618 and your local number. For example, the telephone company local number is GL 2-8806. The Long Distance number is Area Code 618 GL 2-8806.

Telephone customers here will receive sets of Area Code 618 stickers with their regular bills this month. These stickers can be mounted on the number plates of your telephone dial.

Purpose of the stickers is to help remind you to include Area Code 618 when giving your number to people in other cities. They will appreciate this courtesy for it will help them call you faster.

You see, many cities today have Direct Distance Dialing and people in those places dial direct to your telephone here by using Area Code 618 and your local number. Even if the person in the distant city places his call with an operator, it will go through faster if he gives her Area Code 618 and your local number.

When you give your telephone number to someone in another city, be sure to give your complete Long Distance number. Include Area Code 618.

SPECIAL KIND OF LANGUAGE

Ever occur to you how often on the telephone you say, "Thanks for calling" and "I'll call you back" . . . or "Give me a ring"? Probably not, for these like many other expressions we use almost every day have become as commonplace to us as "Good Morning" or "How Are You?"

When we say "Thanks for calling," for example, we seldom stop and consider the wonderful convenience of just being able to talk to a friend or relative by phone—at any time of the day or night. And when we ask someone to "Give us a ring," we rarely think of the vast amount of telephone equipment needed to bring the voices we want to hear into our homes from almost anywhere in the world.

Telephoning has become such a habit in our everyday living that we take it for granted. So it's only natural that telephone expressions have become part of our everyday language.

TELEPHONE OFF THE HOOK

It happens dozens of times a day in the Quad-Cities. That's how many receivers are left off the hook every day. When this happens, it blocks all incoming calls. And on a party line, it puts the other phones out of service. To make sure no one misses important calls, how about telling the children in your family to be sure they replace the receiver after talking?

Call by number. It's twice as fast.

Water Co. Venice Value Back At Earlier Level

Further information obtained on the East St. Louis and Interurban Water Company's personal property assessment in Venice township shows that it has been set at \$645,400 for the 1961 assessment year, on which 1962 tax bills will be based. The valuation was discussed at length during last week's Madison city council meeting.

County Treasurer Dan W. McGee said the final assessment for 1959 was \$645,400. Assessor Joseph W. Bergrath listed it the same for 1960, but it was reduced to \$582,000 by the County Board of Review.

For 1960, both the assessor and review board set the figure at \$582,000. Then, for 1961, the assessor restored the \$645,400 level and the review board concurred after hearing a protest from Madison city officials on the previous reduction. The town's real estate assessment in the township is \$15,050.

'MINUTEMAN' AWARDS were presented recently to representatives of organizations at the Granite City Engineer Depot which had at least a 65% participation during 1961 in U. S. Savings Bond program. Daniel Farley, of 2208 Nevada avenue, and Thomas Wofford, of 2224 Bryan avenue, both 17, were granted probation during hearings in Madison County circuit court after pleading guilty to charges of burglary and larceny. It was learned this week at Edwardsville.

Farley was placed on four years probation with six months at the Vandalia State Farm. Wofford was also placed on four years probation with three months at the state farm.

Savings Bond Awards To Depot Organizations

Five "Minuteman" awards have been presented at the Granite City Engineer Depot this month to organizations of 100 or more persons with at least 65% participation in the U. S. Savings Bond program.

Depot organizations which received the awards were the maintenance division (91%), operations support division (19%), storage division (70%), the engineer depot as a whole (73%), the 53rd Engineer Group (69%), and the 18th Engineer Co., a group no longer stationed at the depot. Its award is to be sent to the company overseas.

Special Depot Suspended

Pending Investigation

The commission of special affairs deputy sheriff Joseph Powell, 40, of Collinsville, has been suspended by Sheriff George Musso pending the completion of an investigation into a reported altercation on a bargain store parking lot last Sunday afternoon, which reportedly involved Powell and three other men, including two from Madison.

Powell is hospitalized in East St. Louis, suffering from head and scalp lacerations which he says were inflicted by either William E. Patterson, 29, of 2202 11th street, Madison, or his brother, Donald Patterson, 21, of 2726 Fifth street, who have denied the allegation.

Powell's condition is listed as satisfactory. Sheriff Musso said he plans to question the special deputy upon his release from St. Mary's Hospital. In an initial statement, Powell said he was struck with a tire tool.

Different versions of the incident were given by the Patterson brothers and a passenger in Powell's auto, 28-year-old Darrell Ward of Collinsville.

The Pattersons were freed pending the investigation.

Mitchell Water Board Opposes Rate Boost

Board members of the Mitchell Public Water District have gone on record opposing the rate boost sought by the East St. Louis & Interurban Water Co. It was announced this week by the chairman, Lee Paul. The water system is scheduled to go into operation this spring.

Board members have instructed their attorney, William Beatty, who also is city attorney for Granite City, to file a protest with the Illinois Commerce Commission similar to those filed last week by the cities of Granite City, Madison and Venice and Nameski township. A hearing for objectors has been set for April 3 in Springfield.

Work on the water system, designed to serve about 800 families and businesses, was virtually halted the past month because of weather. Work will remain for its completion, weather permitting. Due to the weather, the contractor has been limited to cleanup work at mailbox turnouts.

George Warnecke, whose office is located at 509 East Chain of Rocks road, is manager for the water district.

7 Contractors Secure Plans For Convent

Seven construction firms, including four from this area, have indicated an interest in submitting bids on the new convent planned for St. Elizabeth Catholic Church at an estimated cost of \$150,000. The bid opening date has been set for Feb. 28.

Contractors holding plans are Tom Studebaker Construction, S. M. Wilson & Co., M. H. Wolfe & Co., all of Granite City; R & R Construction Co., Allon; Bauer Bros. Co., Belleville, and Nelson Construction Co., St. Louis.

The two-story brick structure, which will be located on church and school property along Pontoon road and will face a court, is to include 14 bedrooms, a community room, three parlors, a chapel, kitchen, dining room, laundry and rooms for storage and equipment. Architects of the project are Gabriel & Dulgeroff.

SOCIETY

Lesche Club Meets With Mrs. Miller

The Lesche Literary Club was entertained Tuesday afternoon by Mrs. Thomas Miller at her home, 2326 Grand avenue.

Twenty were in attendance, including a guest, Mrs. David B. Maxton, and after a dessert luncheon a business session was conducted by the president, Mrs. E. D. Kincaid, and the remainder of the time was taken up with the program.

Mrs. Ernest Rouland reviewed a series of periodicals on the life of Ivy Baker Priest, the first woman to hold the office of treasurer of the United States, and Mrs. Lee Stevens led a round table discussion on social medicine.

The next meeting of the club will be with Mrs. C. W. Lester, 2729 Washington avenue, when Mrs. Stevens will give the book report, reviewing a book of her own choice.

HONORED BY 4-H COUNCIL. Mrs. Ruth Brave, 4-H leader, and her daughter, Kathy, Rural Route One, who have been honored for their achievement in 4-H work. Mrs. Brave organized the Granite City 58's in 1958.

4-H Council Honors Mrs. Brave, Daughter, Kathy

Mrs. Ruth Brave and her daughter, Kathy, Rural Route One, have been honored by the State Four-H Council for achievements in Four-H work.

Mrs. Brave was awarded Four-H "Place in the Sun" honors for her leadership and achievements. Her daughter was honored for her work at a Junior Leader. Ceremonies were held in East St. Louis, after which Mrs. Brave and Kathy were luncheon guests at Grand Marais State Park restaurant.

Mrs. Brave organized the Granite City 58's, so called because the group was started in 1958. The club has been active in safety work and has received numerous honors for its achievements. At present the club numbers more than 40 boys and girls, all of whom live in Granite City and suburbs. None live on farms.

This is the Ford Fairlane's new Challenger "260" V-8.

There's no other V-8 like it. It's the latest in a series of Ford V-8 triumphs that started back in 1932 when Ford introduced the world's first popular-priced V-8. Today—30 years and 30 million V-8's later—the Challenger "260" adds new fuel to the hottest performance record in V-8 history. It gives you all the time-tested toughness of iron—with a lightness and compactness iron never had before. A muscular 164 hp, this new Challenger "260" V-8 is all snap, sparkle and smoothness. *It runs on regular, yet gives you better gas mileage than any standard-size 6-cylinder car.* Price it and you're in for a surprise—a Fairlane V-8 carries a smaller price tag than some compact Sixes. And, of course, a Fairlane gives you big-car room and fine-car quality you'll find in no other car anywhere near Fairlane's amazing low price. There's never been a buy like Fairlane because there's never been a car like Fairlane; that's why this all-new car from Ford is now out-selling every other "new-size" car!

Voter Registration Center Set For Area

With the March 12 registration deadline for voting in the April 10 primary election approaching, special arrangements have been announced by Miss Eulalia Hotz, county clerk, for special registration dates locally.

To be eligible to vote in the primary, in addition to being registered, a person must be 21 years of age or older by the date of the election, a U. S. citizen and have resided in the precinct 30 days, in the county 90 days, and in the state the last year.

Registered voters who have lost their certificate of registration may receive a duplicate from the county clerk's office upon request. Miss Hotz said, and those who are not registered may do so with any of the deputy registrars.

March 12 also is the last day for reporting any change of address or change of name to marriage or court order. Miss Hotz said this information may be noted on the reverse side of the registration certificate, which should then be signed and mailed directly to her office at Edwardsville.

Registrars In GC

In Granite City, City Clerk A. L. Stevens is deputy registrar, with hours from 9 a.m. to 5 p.m., except for the noon hour, Monday through Friday. Stevens' office will be open for registration from 7 to 8:30 p.m. March 6 through March 9.

Special voter registration centers in Granite City will be set up Saturday from noon to 6 p.m. at Niedringhaus school, and from 7 to 8 p.m. at St. Elizabeth school, then at the Nameoki fire station from 1 to 8 p.m. on Feb. 24.

Pupils Thanked For Gift Sent To Norway

Nine St. Elizabeth school pupils have been thanked in a letter from Norway for a gift box they sent overseas as members of the Junior Red Cross.

The letter from a Norwegian girl, nine years old, related that she is in the third grade and is now well after being ill and in bed for nine days. She suggested that some of the Granite City pupils continue the correspondence with her.

Purpose of the gift box program sponsored by the American Red Cross is to promote friendship among children in all parts of the world. The girl's letter of appreciation was received at the Red Cross Tri-City Chapter office by Mrs. Ruby Overbeck, executive director, and is being forwarded this week to the local school.

Students participating were Joseph Bohnenstehl, Patricia Scaturro, Deborah Lake, Lorraine McKay, Denise Broyles, Daniel DelRuntz, Theresa Scaturro, Kathleen Lancaster and Ellen Gauen.

OVERSEAS DELIVERY AVAILABLE

How can you be sure you're getting a '62?

Don't worry. For one thing, you couldn't buy a new '61 VW even if you wanted to. There are none left.

Besides, there are some sure-fire ways to tell the '62 from any other year. It just takes a little looking. The taillights are half an inch bigger. The new VW also has a gas gauge. For the first time.

But most of the changes for '62 can't be seen at all. You feel them.

We've put new heater outlets both front and rear for more even heating.

You use less pressure for braking. New brake and clutch cables as well as new steering parts that used to need maintenance, don't any more.

We've been making Volkswagens so long, we don't think we could make anything that better. So we've made a few things stay open better. Doorstops that work. A spring to hold the front hood open.

In all, there are 28 significant changes in the '62 Volkswagen. But not one of them was designed to make last year's model obsolete.

And that's the way it'll be in '63, too.

Two Youths Face Charges Of Disorderly Conduct
Two Granite City youths face disorderly conduct charges in Madison which authorities said stemmed from annoying telephone calls to a 24-year-old married woman, who agreed to meet one of them Monday night, resulting in the arrests.

Madison police said one youth gave a written statement, admitting the calls. The pair was taken into custody about 9 p.m. Monday after being picked up by the woman's husband at Sixth street and Madison avenue, where they had climbed out of a parked vehicle.

At the police station, the youths were questioned, and the statement was given. Charged were William A. Brockman, 20, of Rural Route One, and John Merz, of 4536 Edwardville road. They were freed on \$500 bonds and hearings were set for Saturday.

Fine Totals \$100
John Chiam, 31, Granite City YMCA, pleaded guilty before Police Magistrate Gasparovic Monday to a charge of disorderly conduct and was fined \$100 plus court costs.

Television Inspection

Recommendation Due Monday On Sewer Line Break

A closed-circuit television inspection of the Aubrey avenue 15-inch sanitary sewer trunk line, where another break was discovered Friday, is to be conducted this week for preparation of a report and recommendation for the city council next Monday night.

A. W. Pearson of the city engineering staff said the special television crew is due here this week from a job in Wisconsin. "I should have the entire report with pictures in time for the council meeting," Pearson said he had no idea what caused the break, other than perhaps the same conditions which existed two houses away, where a break occurred early last summer.

The 15-inch line is 15 to 17 feet deep and is in sandy soil which now is below the water table. It appears to be a situation similar to Terrace lane. If you recall, David Johnston (city engineer) said to keep a close watch on the Aubrey avenue line," Pearson said.

The present break, oval-shaped and about 10 to 15 feet in diameter and four feet deep, is in the backyard at the home of Mr. and Mrs. Robert O. Butler, 3164 Aubrey avenue. Last summer, the break was in the yard at the home of Mr. and Mrs. Robert Margeson at 3156 Aubrey avenue. The repairs cost the city \$81,191.

Pearson told the Press-Record he plans an inspection, if possible, of the entire line extending about 1150 feet from Jill avenue to St. Clair avenue, where the trunk empties into a city station line.

Until a decision is made on repairs or possibly replacement, the city is renting a pump, which is set up and manned at a Jill avenue manhole, and pumping sewage through a fire hose around the break.

To date, including operation of pumps while replacement work is under way under a level district contract, work at the series of Terrace lane sewer breaks has cost the city \$209,000. It also is 15 feet under ground and is a 15-inch trunk line. A study late last summer discovered the line also to be under the water table and in quicksand. The replacement line is to be at 11 feet and crafted with rock or concrete as needed.

CUB PACK 13 BLUE

AND GOLD BANQUET
Cub Pack 13, sponsored by the Holy Name Society of St. Elizabeth Catholic Church, held its annual blue and gold banquet Sunday afternoon in the cafeteria of St. Elizabeth school.

The banquet, held every February in observance of Boy Scout Week, was attended by 250 persons. The theme was "Presidents," and a playlet, "To Tell the Truth," was based on the lives of George Washington and Abraham Lincoln. Cubs of Dens Six, Seven and Eight, under the direction of Mrs. Marge Weissenborn, Mrs. Sharon Loft and Mrs. Charlene Urba, were the producers, actors and directors of the play.

Leroy E. Wakefield, cubmaster, and Dan Brown, district Boy Scout executive, presented awards to Michael Stribny, Robert Carroll, Neal Howards, Tommy Cholewick, Tommy Kreshok, Herman Weissenborn, Jimmy Frey, Michael Czwornog, Michael Berry, George Noud, John Etkink, Dennis Farence, Ed Frey, Philip Lancaster, Mike Mecava, Bruce Miller and Steve Beatty.

They gave advancement awards to three cubs going into the Webelos den, James Frey, George Noeth and Walter Great-

Cubs earning one-year pins were Earl Schillinger, Curtis Kozar, Steve Kovar, John Klesh, David Evans, Robert Zellerman, Mike Mecava, Paul LeGrand, Walter Weissenborn, Gregory Landers, Danny Reinhardt, Ed Frey, Philip Lancaster, Michael Berry, Michael Czwornog, Douglas Conrad, Robert Elther and Tommy Kreshok. Two-year pins went to Jimmy Frey, Paul Steiner, Dennis Farence and George Noud.

Mrs. Marge Noeth was presented with a three-year pin and a plaque in appreciation of her service to cubbing. She is retiring as a den mother.

After the presentation of the awards, Brown explained the advantages of boys belonging to cub scouting. He urged parents to participate more in the scouting program.

Ex. L. J. Mattingly thanked the scouts for the trading stamps that they have donated to the Holy Name Society toward purchase of a new car. A brief entertainment program was given by Fred Cochrell, ventriloquist, Steve Kozar, an amateur magician, was scheduled to appear, but illness forced him to cancel the performance. The next meeting will be March 20.

Boy Scout Troop Seven of St. Joseph's Catholic Church held a charter presentation ceremony Sunday night in the church hall, led by Paul Caban, committee chairman. About 100 were present.

Rev. Charles Mulrone received the charter, presented by Tom Tague, associate commissioner of the Unish District. In the court of honor, those receiving awards were Paul Caban, Damian Caffery, Bill Puch, Victor Gehling, Tony Hubert, Tim Hobbs, Don Kary, Mike Paladini, Gregory Perkins, Allen Stockert, Roland Mueller, Jim Perdue and Tim Jones.

Rev. Mulrone spoke on the church award in scouting, and Dr. Leo Coleman discussed coming activities.

Other special guests were John Winkelmier, cubmaster of Pack Seven, and his wife.

MARY ELLEN WHITE
HONORED ON BIRTHDAY
Mr. and Mrs. W. C. White, 2710 Iowa street, entertained guests at a party Sunday afternoon, the occasion being the first birthday of their daughter, Mary Ellen.

Present were Mrs. Elizabeth Schuetts, Mrs. Harvey Heaton, Herbert and Virginia Heaton, Mr. and Mrs. David DeGonia and sons, Mark and Michael, Mrs. John Cuvar and son, Dennis, Mr. and Mrs. Edward Christ and daughter, Shari, and Ricky, Diana and Sandra White.

Valentine favors and balloons were given the guests, and refreshments were served. The prizes went to Mark DeGonia.

Richey Aboard Saratoga
Grant M. Richey, radioman third class, USN, son of Mr. and Mrs. Lester M. Richey of 1817 Bremen avenue, is serving aboard the attack aircraft carrier USS Saratoga, operating as unit of the Sixth Fleet in the Mediterranean.

New low-cost luxury in two just-out Chevy II Nova sedans

• Luxury and low cost have never been more beautifully blended than in these two newest additions to the Chevy II line. Like their running mates—the Nova 400 Sport Coupe, Convertible and Station Wagon—they have the same more-for-your-money features that have made Chevy II the winner of Car Life magazine's Engineering Excellence Award for 1962. Soft-riding new Mono-Plate rear springs, proved in the equivalent of 2,000,000-plus test miles. Thrifty 6-cylinder engine that gets more "gilt" out of a gallon of regular. Body by Fisher roominess that fits big families and small parking places. An easy loading vacation-sized trunk. New ideas that save on upkeep. Plus trim, tasteful styling, inside and out. See the smart, sassy, saving Chevy II Novas—and the other sensibly sized, sensibly priced Chevy II models—at your Chevrolet dealer's.
